5 Click "Create My Page"

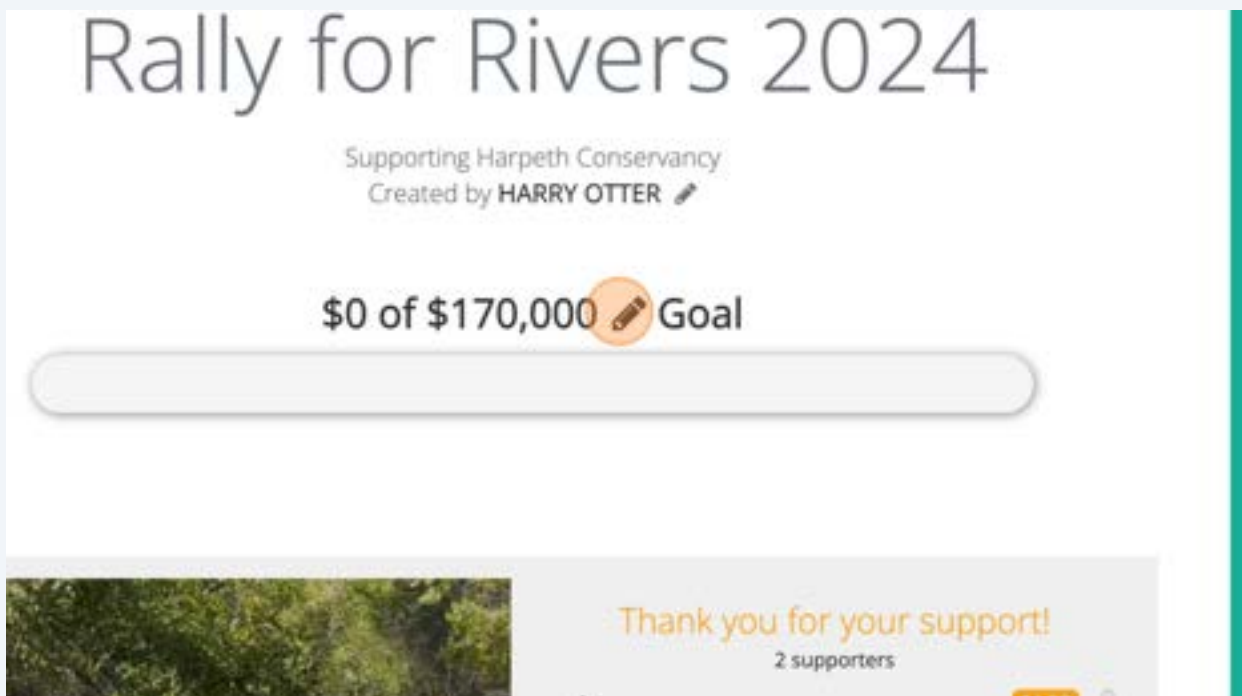

6 You'll get two emails! The first email will contain a link to edit your page. Let's do that! So navigate to your email inbox and click the link contained in that message.

7 Your fundraising page will look like this when you open it to edit it.

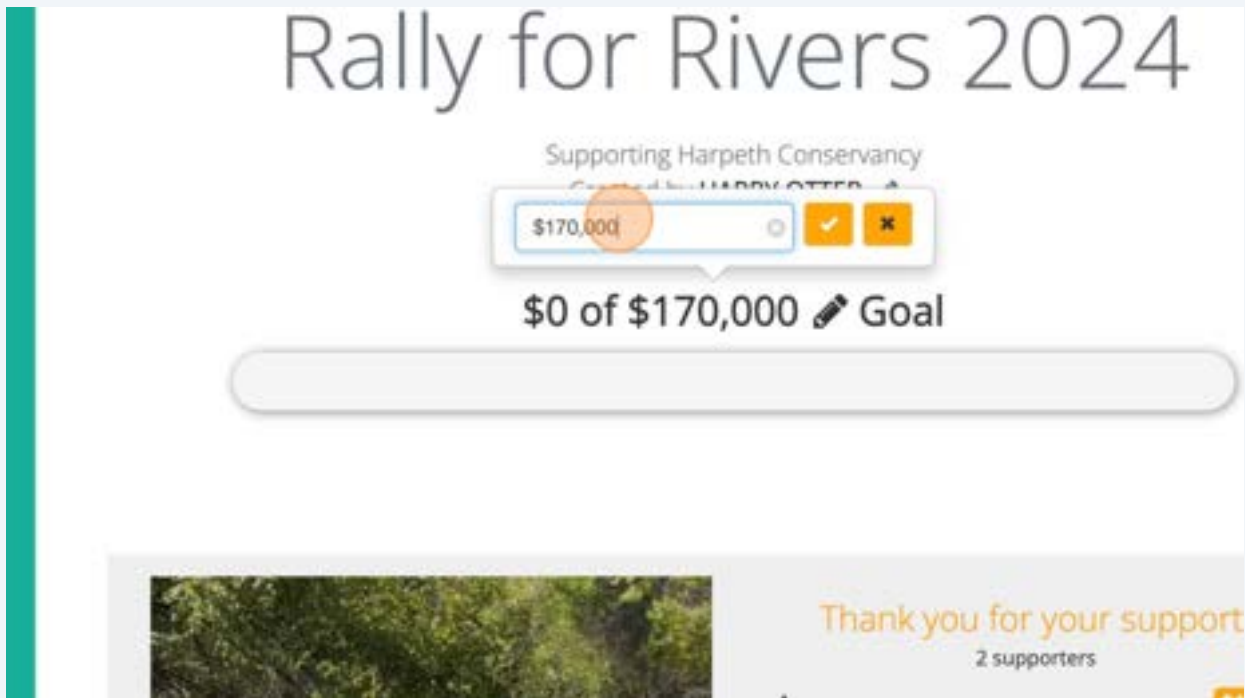

8 If you click here on this pencil icon (or any pencil!) you can edit that section.

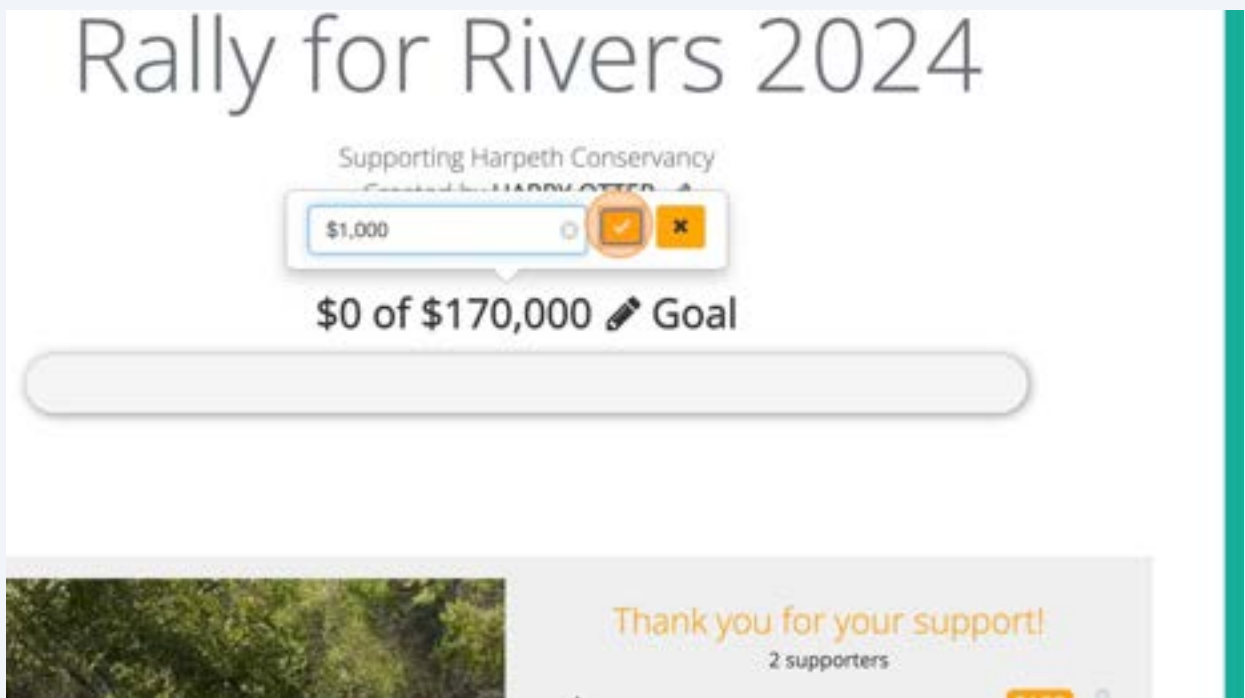

9

Let's this text field and change how much we're going to raise for our personal fundraiser!

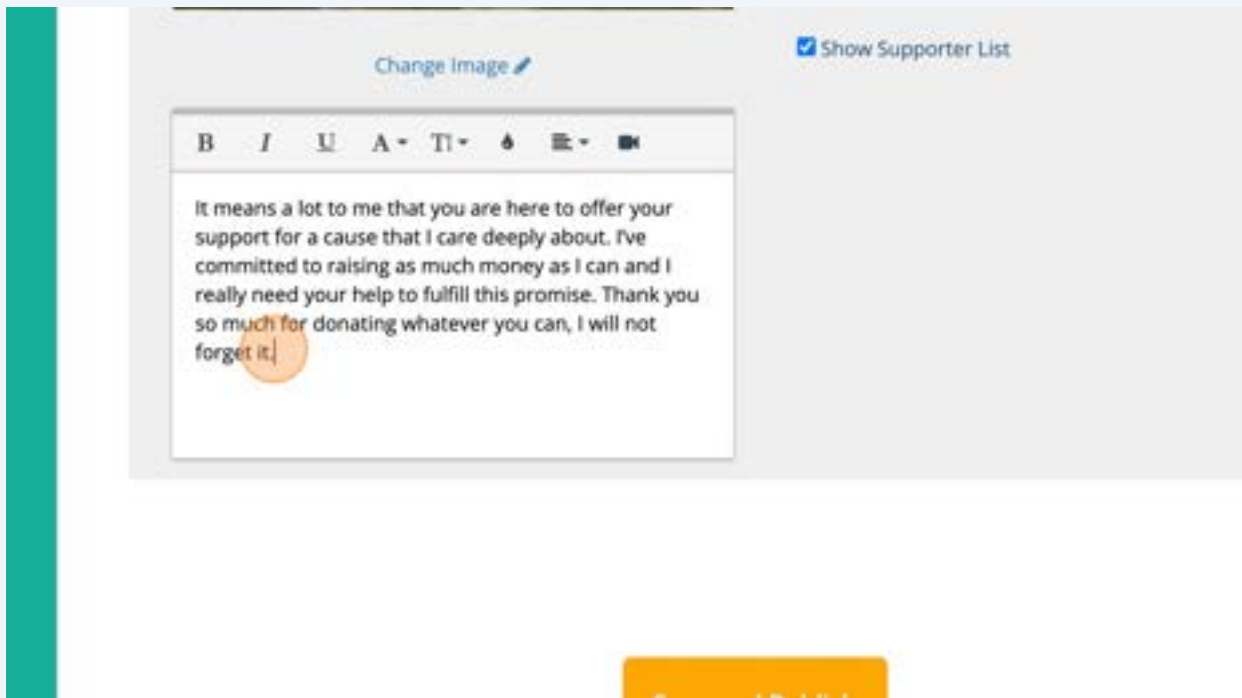

10

Click here to save.

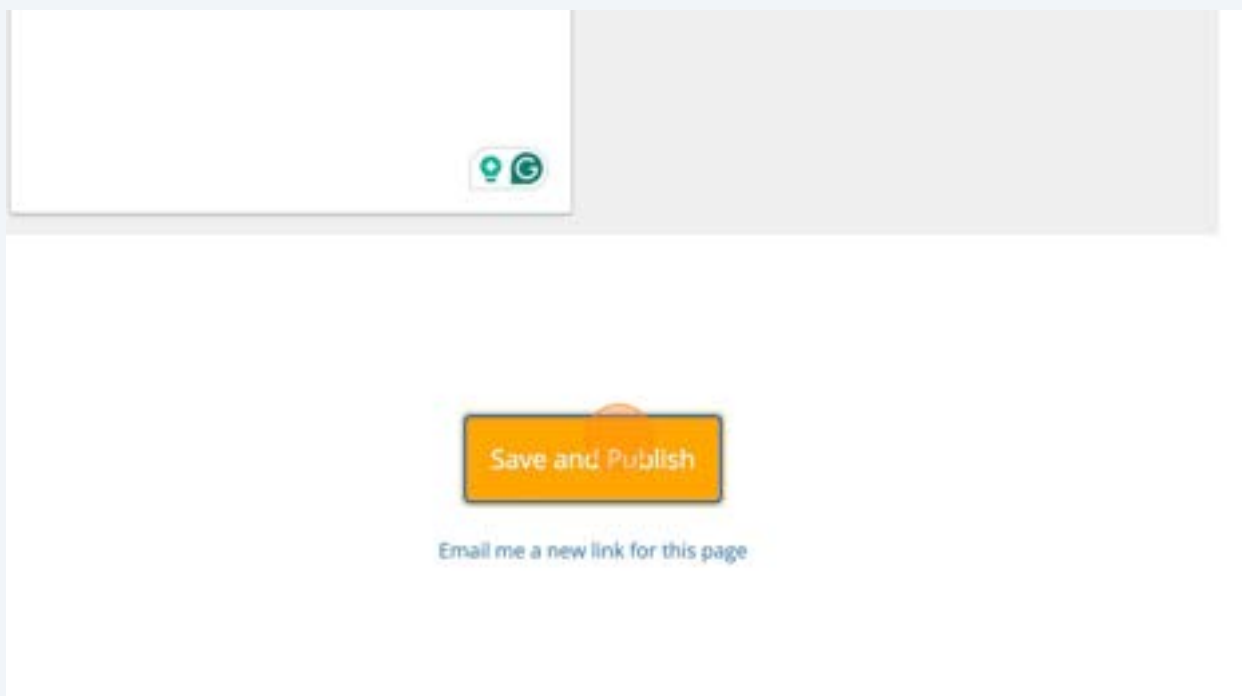

11

If you scroll down, you can also edit this pre-filled text and share WHY you want to help raise money for Harpeth Conservancy.

12

Click this button after you've made all the changes!

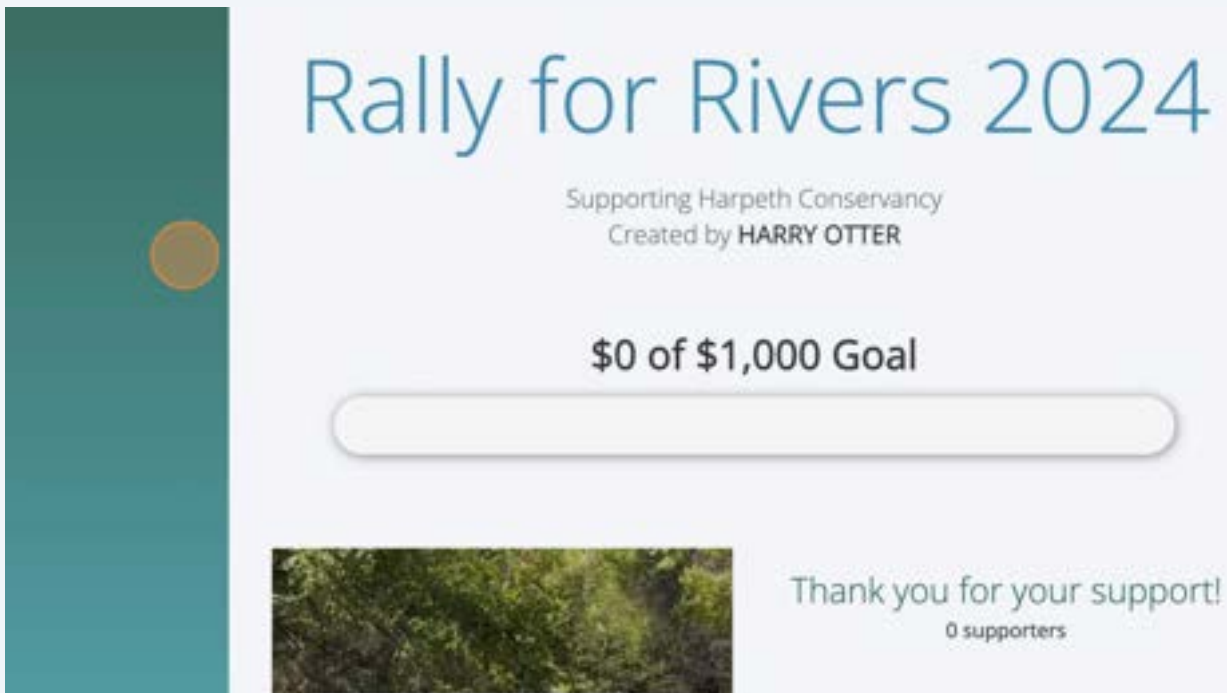

13

It will give you a pop-up to read with some information about sharing and the OTHER email you received. Once you've finished, click "Got It!". You can close this window/tab!

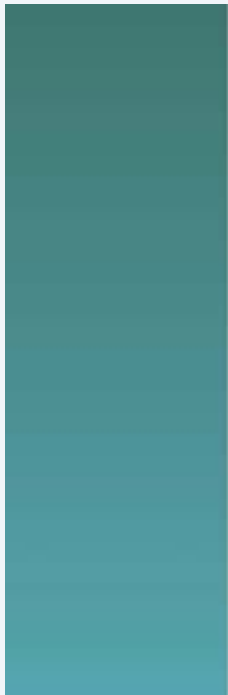

14

Here's what your published Fundraiser will look like!

15 (With the updated text-- Harry Otter's anyway!)
